

NOTICES OF SUBSTANTIVE POLICY STATEMENT

The Administrative Procedure Act requires the publication of substantive policy statements issued by agencies (A.R.S. § 41-1013(B)(14)). Substantive Policy Statements are written expressions which inform the general public of an agency's current approach to rule or regulation practice. Substantive policy statement does not include internal procedural documents which may only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties in accordance with A.R.S. Title 41.

NOTICE OF SUBSTANTIVE POLICY STATEMENT

BOARD OF CHIROPRACTIC EXAMINERS

1. Subject of the substantive policy statement and the substantive policy statement number by which the policy statement is referred:

The substantive policy statement defines the circumstances under which an extern in a Board approved preceptor program may take x-rays.

2. Date the substantive policy statement was issued and the effective date of the policy statement if different from the issuance date:

Policy will become effective upon publication.

3. Summary of the contents of the substantive policy statement:

A student who is enrolled in an accredited chiropractic college may be approved by the Board to participate in a preceptor program as part of their chiropractic education. A preceptor program is similar to an internship in that a professional student studies under the supervision of a Board approved licensee chiropractor. The student is referred to in law as an extern. The licensed supervisor is referred to in law as the preceptor. This substantive policy statement will require that an extern may take x-rays only under the supervision of the Board approved preceptor as supervision is defined in R4-7-101(10).

4. A statement as to whether the substantive policy statement is a new statement or a revision:

New Statement

5. The name, address, and telephone number of the person to whom questions and comments about the substantive policy statement may be directed:
